SUBJECT **Oregon's Public Records Law, As Applied: a request to the Legislature**

ATTACHED 2026-10-08-oregons-public-records-law-as-applied.pdf

To the members of the Legislature:

Please find my attached letter asking the Legislature to examine how Oregon's public records law is applied to the people who use it, and to close seven gaps that appear in my own record. Every document it cites is published in full at oprdrvoluteerabuse.org.

Kind Regards,

Robert Samuel White
