SUBJECT **Re: Public Records Request :: R027904-090526**

Hello, and thank you for the prompt search. For this item:

"For items 2, 4 and 5, ODOT does not have any records to provide. Any records relating to you were sent or received on OPRD devices, not ODOT devices. We suggest you contact OPRD to request responsive records."

How do you know what was sent or received on OPRD devices?
