RECORD The rifle “joke,” recorded

DATE June 30, 2026

[Lane County Deputy] of the Lane County Sheriff's Office is one of the ATV deputies who visit the Siltcoos Work Center daily. On June 30, 2026, he told a "joke" about me having access to a high-powered rifle. Something felt off about it. I turned my camera on and walked up to him, and the exchange below was recorded. The recording was posted privately to YouTube the same day: https://youtube.com/shorts/ZxNt_7rJJjY

Three months earlier, on March 27, 2026, [USFS Special Agent] had sent [Lane County Deputy] my file, attributing "multiple veil threats" to me, with a commitment to "keep you up to date."

Transcript of the recording

> Hey, [Lane County Deputy]. So, I don't know if you're aware of this or not, so I'm just going to make you aware. I have an open confrontation with Honeyman State Park and the state of Oregon that reaches all the way up to the governor and the director. This has been going on for more than a year. Like the other. Yes. Now it's Oh, wow. So, it's really important that I mean, you made just I know it was a joke, but we can't joke around like that. Okay. Okay. It's just not funny. Absolutely. No, I'm saying totally understandable. That's Thank you. I appreciate it. I hope this is our relationship. If I say something out of line or I may think it's a joke, it's too far for you, just let me know. So, I Thanks. I appreciate it. It's It's a dumb thing, man. And I was a volunteer at Honeyman State Park for 2 months and they just mistreated me there and I documented and they retaliated over it and it just kept escalating all the way up the ladder all the way to the governor. All right, no worries. All right.

Public statement, the same afternoon

> Documenting contemporaneously: a law enforcement officer with access to where I live made a comment today that crossed a serious line, involving a firearm. It was presented as a joke, but this is too similar to what happened on March 18, 2025, to be left alone. I informed him about my dispute with the state and that we cannot joke around like that. He was respectful and I consider it the end of the matter.
