Dear Robert Samuel White:

Thank you for your interest in public records of Lane County Sheriff's Office. Your request has been received and is being processed in accordance with the Oregon Public Records Law.

Your request was received in this office on 9/9/2026 and given the reference number P015875-090926 for tracking purposes.

Your request will be forwarded to the relevant department(s) to locate the information you seek and to determine the volume and any costs associated with satisfying your request. You will be contacted about the availability and/or provided with copies of the records in question. PLEASE NOTE: The Oregon Public Records Law does not require a governmental body to create new information, to do legal research, or to answer questions.

Records Requested: To the Records Officer, Lane County Sheriff's Office:

This is a request under the Oregon Public Records Law.

I am Robert Samuel White, date of birth April 11, 1977. On September 3, 2026, Oregon State Police produced its file on me under public records request PR27478. That production contains an email dated March 27, 2026, 11:04 AM, from [USFS Special Agent] to [Lane County Deputy] at [Lane County Deputy], subject "Siltcoos WC Volunteer," copied to two OSP detectives. It transmitted my name, my date of birth, my driver's license number, my residence, my work schedule, my duties, my correspondence, and my text messages, and it closed with a commitment to "keep you up to date." I committed no crime; the OSP file itself concludes as much. This request concerns what your office received, what it created, and what it did with it.

Unless otherwise noted, the period requested is January 1, 2025 to the present.

I request the following.

The March 27, 2026 email described above, with all attachments, as held by Lane County.

All communications between any Lane County Sheriff's Office employee and [USFS Special Agent] or any other U.S. Forest Service employee concerning me, the Siltcoos Work Center, or the archive at oprdvolunteerabuse.org, including every update received after March 27, 2026.

All communications between any Lane County Sheriff's Office employee and any employee of Oregon State Police, including Detectives Jake Hyde and Jerred Nelson, Sergeant Sean Henderson, and Lieutenant Haley McQuillan; the Oregon Parks and Recreation Department; the FBI or any task force; or any other agency, concerning me.

Every record in county systems indexed under Robert White, Robert Samuel White, Robert S. White, Sam White, my date of birth, my driver's license number, rsw@rswfire.com, oprdvolunteerabuse.org, or the Siltcoos Work Center as it relates to me: CAD entries, records management system entries, incident or case records, flags, alerts, advisories, bulletins, briefing notes, and officer notes.

Any record reflecting a patrol advisory, instruction, or direction concerning me or concerning law enforcement response at the Siltcoos Work Center.
All records authored, received, or held by [Lane County Deputy] concerning me, in any medium, including notes and calendar entries.

Any record reflecting dissemination of my information by Lane County to any person or agency.

Records sufficient to identify [Lane County Deputy]'s assignment and patrol area during March 2026.

Administration

Fee waiver. I request a waiver under ORS 192.324(5). Disclosure primarily benefits the general public: these records concern how a citizen's personal file, assembled over speech the reviewing agencies concluded involved no crime, was circulated to a fourth agency. I have no commercial purpose. All records produced will be published in full, at no charge, at oprdvolunteerabuse.org.

Acknowledgment and timeline. ORS 192.324(2) requires acknowledgment or completion within five business days, and ORS 192.329(5) requires a reasonable estimated completion date where a response cannot be completed within fifteen business days. I request both in writing.

Fees. ORS 192.324(4) prohibits a fee exceeding $25 without prior written notice. If a fee is to be charged, I request that notice with an itemized basis before any work is performed, and the opportunity to narrow the request rather than have it held pending payment.

Format. Electronic delivery, native format, with headers, recipients, timestamps, metadata, and

attachments preserved and intact.

Preservation. Please treat all records responsive to this request as subject to litigation hold. I have served notice of tort claim on the State of Oregon under ORS 30.275; the Department of Administrative Services holds claims P195403 and P195427. On September 9, 2026, I asked [Lane County Deputy] in writing to preserve his copy of the March 27 email, its attachments, and my correction letter.

Disposition. For each numbered item, please state whether responsive records exist, produce them, or cite the specific exemption claimed for each record or portion withheld, as ORS 192.329(2) requires. If Lane County is not the custodian of a category, please identify the custodian rather than closing the request as to that category. ORS 192.311(2)(b).
