Attached is my letter of September 23, 2026, regarding request #26-825.

At 10:36 AM your office priced items 1 and 2 as an unperformed email search and held the request open sixty days for payment. At 10:40 AM it declared all responsive records provided and closed the request. Both cannot be true. The letter asks your office to reopen the request, perform the search, and grant the fee waiver, or state which consideration named in your office's own questionnaire weighs against it.
