Yeah … I could swear I printed this and put it in your inbox a couple of weeks ago? Perhaps I am losing my mind.

Hi [Tugman Volunteer Services Lead]!

I can hardly believe it's my last week here already. I want to thank you for everything - you've been super kind and welcoming to me and I appreciate you so much.

I was looking at gaia GPS and noticed there's a whole section of Honeyman on the east side of the 101 that I didn't know about - there's so much to explore there. I'm really excited.

And I love that I get to come back and explore Umpqua after that. If you have any assignments after May, I'd love to hear about them. I'm going to try to keep exploring the central southern coast for a while - maybe as far north as Waldport/Newport.

Anyway I wanted to ask if you could print out my access pass for me? Was hoping you could include it with my schedule?

Thanks

Sam

Hi [Tugman Volunteer Services Lead]!

I was hoping I could convince you to print this out for me?

I have no way to do so or any idea how I'd do that on the coast?

Went to Honeyman yesterday and felt like I had to track down a ranger and announce my presence because I didn't have this thing on my dash!

Was also hoping to convince you to let me have 2 extra volunteer stickers? I put one on my jeep, but I think I put it in the wrong spot and want to move it. (and the second one I want to put in my space inside the rv)

Anyway, I've no idea how today is supposed to go. But I will surely figure that out when the sun comes up! Hope you have a wonderful morning. 🙃

Sam
