To [Park Supervisor], [Park Manager], [Volunteer Services Lead], and Allison Watson,

Have you considered how you will answer these questions if you were forced to do so under oath?

To a journalist?

To a friend or colleague who encounters the archive?

To a legislator with oversight over your behavior?

A month from now? A year from now? A decade from now?

Have you considered what this looks like from the outside?

What will you say when your silence no longer holds?
