Yes. We'll call the new section  Sunlight.

Instead of notifying you each time this document is updated, I will give you a standing notice.

Remember the record is public and open source and available at  github.com/rswfire/rswfire.oprd. From there, you can learn about every change to the archive, and diff pages like Sunlight for a character-by-character record of every change.

Enjoy your weekend. I have rounds to do for the Forest Service this morning.
