Hey [Beverly Beach Volunteer Services Lead],

Hope you're awesome. 🙃

I just wanted to let you know some volunteer friends here at Honeyman are thinking about applying for this position - [Park host] and [Park host]. They are awesome people and very hard working so if you hear from them, I hope my endorsement carries the smallest amount of weight toward picking them!

Also my friend John will be at Beverly Beach in April and May. Please take care of him - he's a solid worker who cares about the parks. I know he'll be an asset to you.

I'll be at Umpqua next month - can't wait to see [Tugman Volunteer Services Lead] again!! Then Mount Doom (Humbug Mountain) for two months. Then two months of travel across the country. Then Tugman in September. Then three months in your wonderful environment! So excited.

Take care!
Sam

Hi there Sam,

I will be talking with [Park host] and [Park host] later this afternoon about the position.

Sounds like you have a full summer season ahead of you! I wanted to reiterate that we have you for the months of October and November, but I do not have you on the schedule for December as I had initially just guaranteed those first two months with the possibility of adding a third dependent on openings and the new OPRD policy of manager approval needed for 3 months. Remember that typically we only offer one trial month for new hosts to our specific host program, but since you came with a good recommendation, I added you for 2!

Enjoy your summer and travel plans between now and your time hosting with us.

Hi, [Beverly Beach Volunteer Services Lead].

I understand and I'm grateful for the opportunity. I think of it as three months because I know my work ethic but if it doesn't work out that way, it's never a problem for me, but I appreciate the need to clarify. Hope you have a good summer also!

Sam
