SUBJECT **Re: Public Records Request #26-825**

Hello and thank you for the thoughtful reply.

I sincerely do not wish to duplicate your efforts. I am very comfortable receiving your replies within the portal. I just need a mailbox to copy my messages to so I can properly document this matter with my own timestamps, which could become an issue if this matter requires statutory claims from me in the future. It is a courtesy and I appreciate that you will receive them here. And so it is on the record: I do not require any response about this matter outside the portal. I look forward to a speedy resolution of this public records request.

Kind Regards,

Robert Samuel White
