Subject: Beverly Beach Visitor Center | October to December

Hello,

My name is Sam, and I'm writing to express my interest in the volunteer welcome center position at Beverly Beach from October to December.

I arrived on the Oregon Coast in October, starting in Brookings, and have been making my way north along Highway 101. Along the way, I've fallen in love with the area, especially the state parks. This month, I began volunteering at Tugman State Park, and I'll be continuing my journey at Honeyman State Park in February and March, working in the welcome center.

As a freelance programmer, I bring a strong work ethic, adaptability, and problem-solving skills to my roles. My boss here, [Tugman Volunteer Services Lead], has said she will be a reference for me if you'd like to speak to her.

Thank you for considering my application. I would be honored to contribute to Beverly Beach and support its mission.

Sincerely,
Sam (Host 40423)
