Hey [Volunteer Services Lead],

Just want to flag a pattern I'm seeing...

The last two times I've had a cash transaction and needed to give change, the register hasn't kicked out on its own. Of course not an issue, just seems like wrong behavior.

I don't think I'm doing anything wrong because the orders are closed and I'm inputting the amount they give me and it does show change due. Here's the most recent one.
