Ohhh, thank you!

Hope it didn't seem like I was doubting you. I was doubting myself. That's on me, and now a noted area for personal growth!

I have the semblance of an annual circuit plan, I just need to figure out how to fit it all together. Between both of your parks and Honeyman, between you and [Volunteer Services Lead], I must figure out a way to honor them all without overextending myself here.

I will try to figure this out with you in April - where, what, and when.

I've decided if I don't hear from Beverly Beach, I will head home then. I won't try to find other opportunities - so letting fate decide this one. Then I will come back in 2026 for a new year of service and exploration.

Humbug changed everything. I am working through it!
