Hi there Sam, I hope you are doing well,

I wanted to get in touch with you about a potential shift swap on the 28th of this month. I have [Park hosts] heading out on the 28th and I had them scheduled for the evening shift that day. I was hoping you would be able to cover that 2-6pm shift for the day instead of the 10am - 2pm shift as they would like to leave before it gets dark. The evening shift on a Friday is going to be busier than the morning shift most likely and it would work better for coverage and being available to campers who have any questions or are needing firewood or ice etc.
