Thanks. This got me thinking - would my contact information be public record, or more just things like the comments you'd leave for other volunteer services leads?

Hi Sam,

I have updated your profile to have your new phone number as your primary point of contact and deleted the old one off of it for now.

Hi, [Tugman Volunteer Services Lead].

I wanted to pass along my new number:

Having issues with my provider - phone got shut off. I might reactivate it at some point though. For now, this is where I can be reached. I told [Volunteer Services Lead] also so he might update the volunteer database.

Hope you're having a good weekend.

Sam

Hi, [Tugman Volunteer Services Lead]!

I had my interview with [Beverly Beach Volunteer Services Lead] today. We had a really great chat and he offered me the welcome center position for October and November and probably December. I just wanted to thank you for your support on that.

Also I withdrew my ranger assistant application a few days ago so there won't be any conflict for April and September. I decided to wait on this - maybe next year.

Thanks,

Sam
