Have you actually watched this, Lisa?

https://oprdvolunteerabuse.org/evidence/coercion/

Because this is what your managers do under your leadership.

This is the culture you stewarded.

[Park Manager] literally talks about it at that coercive meeting, when he starts talking about HR unprompted.

I understand if it's uncomfortable to watch.

Imagine how it felt to sit through it.

By the way, we're two days away from the anniversary of that meeting.
