Subject	**RE: Public Records Request**

Robert, I didn't know you go by Samuel, that was honestly my brain locking onto a familiar name, as I have a lot of Samuels in my like. I apologize. I have entered your request into our system using the correct for and have begun the process of creating an invoice for you. Collecting the information necessary to fulfill this request would take many hours of staff labor, which will need to be paid by you per Oregon Law<https://www.oregon.gov/pra/Documents/Open-Oregon-Public-Records-Guide-2019.pdf>. Once our finance team has provided an invoice we will send it to you via email and at that time you can determine if you wish to pay the invoice and proceed.
