SUBJECT **[External Message Added] Lane County, OR public records request #26-825**

Lane County, OR

A message was sent to you regarding record request #26-825:

Good afternoon,

In response to your recent message:

Regarding the message that accompanied the record we provided in response to #8 that said: "All responsive records have been provided to you, and your request will be closed.":

This was an error. There was boilerplate language in the template I was using and I neglected to delete the language that was not applicable to this request. I apologize for the error. Your request is not closed. Your request is currently paused awaiting payment for the email search.

Regarding your request for an explanation of the denial of your fee waiver:

ORS 192.324(5) allows public bodies to "...furnish copies without charge or at a substantially reduced fee if the custodian determines that the waiver or reduction of fees is in the public interest because making the record available primarily benefits the general public." Lane County has reviewed your request for a fee waiver and has concluded that the disclosure of the records you have requested would not primarily benefit the general public. Therefore, your request for a fee waiver is denied. You may seek review of the County's determination pursuant to ORS 192.401, 192.411, 192.415, 192.418, 192.422, 192.427 and 192.431.

We will keep this request open for 60 days. If we do not receive payment of the invoice within 60 days, we will close this request and you will need to make a new one. ORS 192.329(3)(b).

Sincerely,

Lane County Public Records
