P {margin-top:0;margin-bottom:0;}

Lisa,

This message is a courtesy. It is not an attempt to reopen dialogue.

You chose to characterize documented identity-based targeting as emotional processing.

That choice is now documented.

Your role in these proceedings is detailed here:

<https://oprdivolunteerabuse.org/lisa-sumption>

I will continue my accountability work where it will have the greatest institutional effect.

Take care,

Sam
