SUBJECT **RE: Publication of the October 1, 2026 Public Records Order, DOJ File No. 121010-GA0187-26**

Good morning, Mr. White. The Sebens order is publicly available on State of Oregon Law Library at the following link:

Browse | Oregon Attorney General Public Records Orders | State of Oregon Law Library Document Collections<<https://cdm17027.contentdm.oclc.org/digital/collection/p17027coll2/search>>

If you type the word "sebens" into the search box, you should locate it. The October 1 order on your petition will be published. We submit orders to the library in batches every couple of weeks. So, there is a bit of lag between the issuance date and the date posted.

Regards,

David Pitcher
