Hi [Beverly Beach Volunteer Services Lead],

I visited your lovely park today—and it was lovely.

I met [Park staff] briefly, and we had a really nice moment. If she mentions me to you (I suspect she might) and also mentions my black eye (haha), it's just from a new eyebrow piercing. No fights involved! (grin) I clocked her nosering, so I'm guessing she already figured that out.

I explored the park, the welcome center, and spent over an hour tracing the tide on the beach. It felt like alignment. I can already tell this place will be an important chapter for me. October feels so far away now!

I wanted to ask—if you have other parks or day-use areas in your management unit, and there's space for me sooner, I'd love to be considered. I'd honor that opportunity with hard work and genuine presence. No pressure, just putting it out there in case it aligns.

Also, I have a new phone number and wanted to pass that along:

Thanks,

Sam (40423)

P. S. This is my main email (rsw@rswfire.com). I accidentally emailed you from rswfire@outlook.com and our conversation just flowed from there, but want to try to correct that now. Hope you're doing great!
