Hey [Beverly Beach Volunteer Services Lead],

Hope you're awesome. 🙃

I just wanted to let you know some volunteer friends here at Honeyman are thinking about applying for this position - [Park host] and [Park host]. They are awesome people and very hard working so if you hear from them, I hope my endorsement carries the smallest amount of weight toward picking them!

Also my friend John will be at Beverly Beach in April and May. Please take care of him - he's a solid worker who cares about the parks. I know he'll be an asset to you.

I'll be at Umpqua next month - can't wait to see [Tugman Volunteer Services Lead] again!! Then Mount Doom (Humbug Mountain) for two months. Then two months of travel across the country. Then Tugman in September. Then three months in your wonderful environment! So excited.

Take care!
Sam
