Dear Sam,

Thank you for taking the time to share your perspective and for your service as a volunteer with Oregon State Parks. I hear the depth of your concern, and I recognize the effort you have put into documenting and expressing your experience.

Volunteers are an essential part of Oregon State Parks, and I want to be clear that I value the contributions you and others make to our mission. The issues you have raised touch on matters of respect, accountability, and the importance of ensuring that those who give their time to serve the public feel supported.

While I cannot respond here to the specific claims you have outlined, I want to assure you that I take concerns about our volunteer program seriously. I am committed to ensuring that we continue to foster an environment where volunteers and staff alike can contribute meaningfully, feel safe, and be treated with professionalism.

I appreciate you sharing your perspective, and I will make sure your concerns are reviewed through the appropriate channels within the department.

Respectfully,

Lisa Sumption
